WHEREAS

- (A) The Assignors created an invention for a hairbrush with thermochromic filaments and the method of manufacturing the same ("the Invention") in about early July 2003, at which time SU Yu Hong was the managing director of the Assignee and and YEUNG Tze Fung was an employee of the Assignee. The Assignors made use of the Assignee's resources to create the Invention.
- (B) The Assignors have agreed to assign all rights in the Invention to the Assignee on the terms set out herein and to execute this Assignment.

IT IS AGREED as follows:

1. In consideration of the sum of HK\$1 (receipt of which the Assignors hereby acknowledge), the Assignors as beneficial owner hereby sell, assign and transfer to the Assignee the full and entire rights, title and interests in the Invention for which an application for United States Patent was executed on the date hereof and may be granted therefor, to the full end of the term for which the said patent may be granted, together with the right to sue for past infringements of any such right and to retain any damages obtained as a result of such action.
2. The Assignors agree to give whatever assistance the Assignee may reasonably require in order to perfect the Assignee's title to or enforce any such right (including, without limitation, requesting the United States Commissioner of Patents and Trademarks to issue the said patent to and in the name of the Assignee).
3. This Assignment shall be governed by and construed in accordance with the laws of Hong Kong Special Administrative Region and the parties hereby submit to the non-exclusive jurisdiction of the courts of Hong Kong Special Administrative Region.

IN WITNESS WHEREOF this Assignment has been entered into on the date stated at the beginning.
